

Get the guidance you need to feel confident about the road to retirement.

As you think about retirement, you may have questions about your financial security.

- Am I saving enough?
- How will I pay for retirement healthcare expenses?
- How will I generate enough income during retirement?
- What options are available if my retirement income falls short?

Retirewise is a complimentary retirement education opportunity provided by Mississippi State University in partnership with MetLife. It offers the tools you need to clarify your goals and take action.

Retirewise is a four-part workshop:

Module 1: Building the Foundation

Module 2: Creating and Protecting Wealth

Module 3: Establishing Your Retirement Income Stream

Module 4: Making the Most of What You Have

Retirewise includes **optional** one-on-one consultation. There is no obligation, and no requirement to schedule future consultation. All presentations and workshop materials are structured for generic educational content, and are complimentary for MSU staff.

Workshops are scheduled on four separate days, February 14, 19, 21, and 26. Although attendance for all four modules is not required, the workshops begin with a basic introduction and build toward a more comprehensive vision of retirement. Occasionally, workshop content refers to material covered in a prior session. Workshop materials distributed at the beginning of the series provide for extensive content review and may adequately allow for any skipped sessions.

The Retirewise Schedule:

All Modules are scheduled from 12:30-2:30 p.m., Trotter Seminar Room, CAVS Building, located in the Thad Cochran Research, Technology, and Economic Development Park

Thursday, February 14, 2013 (Module 1)

Tuesday, February 19, 2013 (Module 2)

Thursday, February 21, 2013 (Module 3)

Tuesday, February 26, 2013 (Module 4)

How to Register for the Workshops:

- 1) Register online at www.metlifeplansmart.com and enter MSU exactly as it appears here (you do not need to type in Mississippi State University; just type MSU)
